To Whom It May Concern:

A year ago I was asked to write a letter of recommendation for God's Handywork. It's not that I didn't want to write the letter, I just wasn't sure how to put into words the things they do. Awesome, Magnificent, Wonderful, Great, Wow, Amazing, Wonder and Aw, are just a few words that come to mind when I think of the Rimmer's.

Bro & Sis Rimmer will make you feel like family in only a matter of moments. Their love for God and their desire to see children filled with God's Spirit is very evident. They pour themselves into everything they do. Whether doing a motion song or praying with children, they're an awesome family called by God to do His work. One of the most important things today is Children's Ministry and if we don't reach children at an early age in this time and age then when?

Schedule God's Handywork for your next Children's Crusade, Lights, Puppets, Humor, & Jesus and you have the Rimmer's~ God's Handywork!

Be Blessed in Jesus Name~
